OBJECTIVE

To obtain a software development role in a growth-oriented organization where I can leverage my skills in programming, web development, and problem-solving to create efficient and scalable applications. I aspire to contribute to innovative software solutions while continuously enhancing my technical knowledge and keeping pace with emerging technologies.

Soft Skills

- Strong work ethic and self-motivation
- Effective time management
- Clear and confident communication
- Inspiring and guiding teams, decision-making, and motivating others.
- Taking initiative, being accountable, and showing determination.
